

Two-Day Interior Castle Workshop

Susan Komis, Workshop Presenter

Susan is a member of the Faculty of Contemplative Outreach and serves as Director of Chapter Resources and Communications to support coordinators throughout the Contemplative Outreach network. She currently serves as a mentor for other servant-leaders and develops leadership

formation programs and assists with local chapter development. She is a Pastoral Minister and has been active in Spiritual Direction and Interfaith Dialogue. Susan and her husband reside in St. Louis, Missouri where she is the mother of four daughters, and grandmother of seven.

Come away for a special weekend to explore the seven mansions of Teresa of Avila's Interior Castle. Teresa is one of Christianity's great mystics and teachers (1515-1582). The Interior Castle was her final work and one of the greatest literary works on experiential mysticism and contemplation in Christianity.

Prayer stood at the center of Teresa's teaching, and she embraced prayer as a means of relationship with God. She considered a life of prayer in terms of love. Together we will explore our own contemporary spiritual journey in light of Teresa's timeless insights into the human soul and its journey towards God. We accomplish this through Susan's presentations, small group reflections & dialogue and periods of Centering Prayer.
